

TOTAL BUSINESS SOLUTIONS

Why Choose Simpay?
A Partner You Can Trust

We provide Total Business Solutions to power your business.

From the ground up, we've created intuitive and easy-to-use programs to simplify your daily operations, reduce costs, and increase revenue.

Simpay Select

What if you could choose how your business accepted payments?

Accepting credit and debit cards is an essential part of your business. With Simpay's Select, you accept payments securely and conveniently in-store, online, or wherever you do business.

Simpay Select Plus

What if your credit card processing costs disappeared?

With Simpay's Select Plus program that's exactly what you can expect. Virtually eliminate your monthly credit card fees and put the savings to work for your business.

Simpay Onboard

What if your Payroll and HCM program was simple?

We're making it easier to pay your employees on time, manage payroll deductions, and simplify your onboarding policies and procedures.

Simpay Insurance Solutions

What if getting commercial insurance was simple?

We're making it easier to insure your property, vehicles, and assets and providing you with protection and coverage you require to shield you from unanticipated risks.

Garage Keepers Insurance

What happens if a client's car or truck gets damaged while it's in your care?

Garage Keepers Insurance protects your business when a vehicle in your possession is damaged by negligence, accident, or vandalism.
