

Educational Member FACT SHEET

As an Educational Member of the Automotive Service Association, you will find many returns on that investment. Instructors at Career and Technology Education (CTE) Programs can take advantage of the following benefits ASA membership provides.

- Access to the full range of ASA Industry Communications through AutoInc. magazine and monthly e-Newsletter to help instructors keep abreast of the latest news and information on the automotive service and collision repair industries.
- Access to ASA member businesses in your area to solicit Advisory Council Members for the school.
- Access to ASA member businesses in your area to arrange for internships and apprenticeships for their students.
- Access to ASA member businesses in your area for support and participation in Career Day Events.
- Access to ASA.Savings4Members.com benefit portfolio for discounts and/or potential donations for materials, tools and equipment for your CTE program.
- Special discounts for ASA members on training programs and events, including the Automotive Management Institute online training. Get 20 percent off on training.
- Access to the ASA Information Library, where you can find a wealth of information on a variety of topics, including recorded webinars on technical and business management topics you may find useful as adjunct classroom materials.
- A high-visibility listing in our online Educational Member Directory with a direct link to website.
- Membership in the only National Professional Association devoted entirely to the betterment of the Automotive Service Industry.

If you would like to learn more about member-only benefits, please visit the ASA website at ASAshop.org, or call (817) 514-2900.
