

Value of ASA Membership

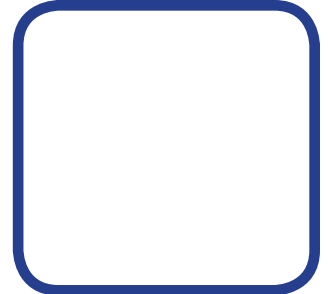

NETWORKING

Stay on top! ASA members are some of the most successful shop owners in the country. Learn best practices, share ideas and get ahead of the latest trends and technology by networking with like-minded ASA members.

TRAINING & EDUCATION

Learn and earn! Top-notch training and education is the cornerstone of ASA's efforts to ensure members retain their competitive advantage. As a recognized and trusted training leader, ASA offers local, regional and national training opportunities, and through our partnership with the Automotive Management Institute, you'll have access to discounted online training courses and resources taught by leading instructors in all automotive fields.

REPRESENTATION

Protect your interests! ASA employs a full-time representative in Washington, D.C., to stand up for and inform independent mechanical service and collision repair industry segments nationwide.

INFORMATION

Tools You Can Use! Our magazine, AutoInc., regular e-newsletters and online resources provide ASA members with the information resources they need to manage their shop toward even greater success.

BUSINESS SAVINGS

Reduce Your Costs! ASA members tell us that our partnerships with key vendors more than pay for the cost of their membership. Even better, member savings on workers comp insurance, parts, online marketing, office supplies and more mean more profit for your shop!

Driving Your Success!

Discover the value of ASA for your shop. Go to ASAshop.org or call (817) 514-2900
